Fulbright Post-doctoral Fellowships

Sixteen post-doctoral grants will be awarded to outstanding post-doctoral scholars who are planning to begin a program of research during the 2018/2019 academic year at an accredited university or non-profit research institute in the United States. The amount of the award is $37,500 for a period of nine to twelve months.

This program is open to researchers in all fields of study except medical programs that include clinical activities involving direct patient care.

Candidates must be Israeli citizens. Dual American-Israeli citizens or permanent residents of the United States are not eligible to apply. Preference will be given to candidates who have received their doctorates within two years prior to the presentation of their applications.

Earliest date for submission of applications: **August 1, 2017.**

Deadline for submission of applications: **December 1, 2017.**
